

MySkillsLab Student Resources for Blackboard

Blackboard is part of your school's information technology network. If this is your first Blackboard course then you may need to check with your school's Help Desk to learn more about using the Blackboard system on your campus.

Getting Started:

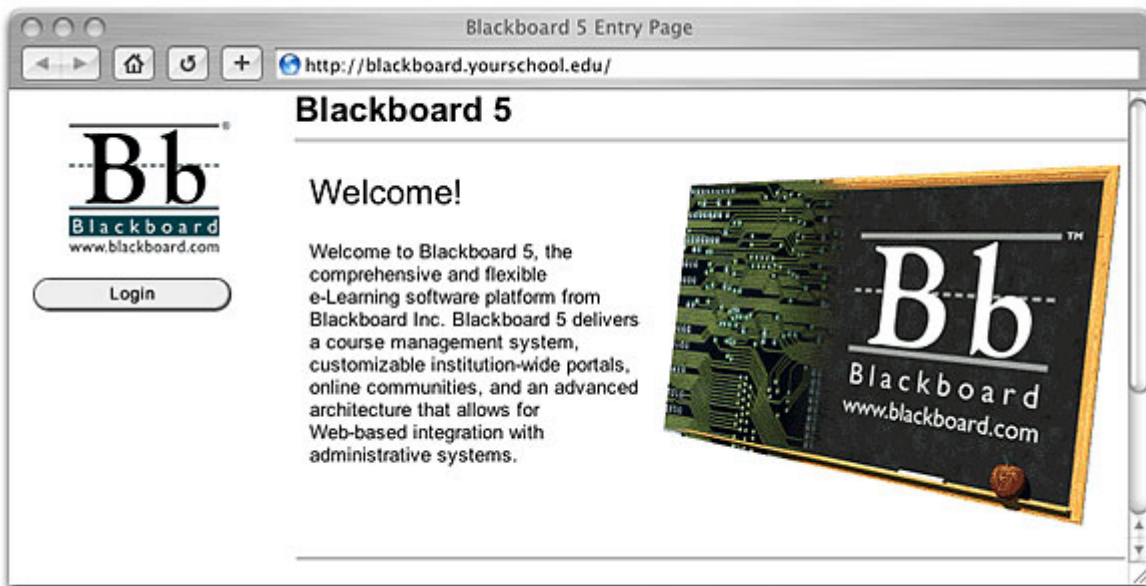

The course information you'll need for your MySkillsLab Blackboard course may have already been sent to you by your school, or you can obtain it from your instructor or campus Blackboard administrator.

What you'll need:

1. The Internet address (URL) where your college hosts its Blackboard courses.
2. Your school-provided Blackboard login name and password to access your Instructor's course materials.
3. The access code in your MySkillsLab Resources for Blackboard and WebCT student access code card.

Register for MySkillsLab Resources

1. Open your web browser and go to your campus Blackboard server.

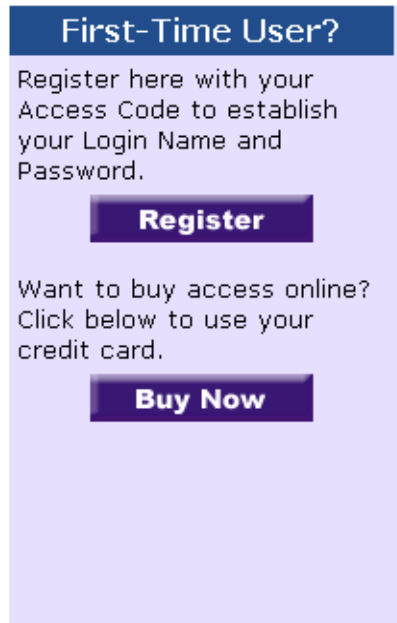

2. From your Blackboard Homepage click the course with MySkillsLab in its name or on the course name provided by your instructor.
3. In your course Announcement page you will find a click "[here](#)" link under the header **Register to use MySkillsLab Resources in your Blackboard Course** to redeem your access code.

Register to use MySkillsLab 2.0 Resources in your Blackboard Course.

Click [here](#) to register online for the MySkillsLab 2.0 resources that are in this Blackboard course. You will need the access code that is beneath the pull tab of your access code card that either came with your purchase of a new qualifying textbook or that you purchased separately. (If you do not have an access code you can purchase access online by following the link above and following the on-screen instructions.) **You only have to register once.** Once you have created your own, unique log in name and password, you will use them each time you link to MySkillsLab 2.0 resources from your course.

- In the pop-up window click the "Register" button to begin the registration process. You'll need the access code that came in your MySkillsLab Resources for Blackboard and WebCT student access code card.

The access code should look similar to this: LSSLBW-LAWES-LUANG-PALED-RIERE-CENTO*

*This is a sample code, and cannot be redeemed.

- Follow the step-by-step instructions to create your own unique login name and password.

1 Access Information ? Need Help? * Fields are required

Do You Have a Pearson Education Account?

No, I Am a New User If you've already registered for an online product published by Addison Wesley, Allyn & Bacon, Benjamin Cummings, Longman, or Prentice Hall, you may already have a Pearson Education Account. If you're not sure, you can [find out here](#).

Yes, Look Me Up The advantage of using an existing account is that we can pre-fill most information in this process, add this subscription to your existing account, and you'll have only one Login Name and Password to remember for accessing multiple online products. [Need Help?](#)
