

MySkillsLab Student Resources for WebCT

WebCT is part of your school's information technology network. If this is your first WebCT course then you may need to check with your school's Help Desk to learn more about using the WebCT system on your campus.

Getting Started:

The course information you'll need for your MySkillsLab WebCT course may have already been sent to you by your school, or you can obtain it from your instructor or campus WebCT administrator.

What you'll need:

1. The Internet address (URL) where your college hosts its WebCT courses.
2. Your school-provided WebCT login name and password to access your Instructor's course materials.
3. The access code in your MySkillsLab Resources for Blackboard and WebCT student access code card.

Register for MySkillsLab Resources

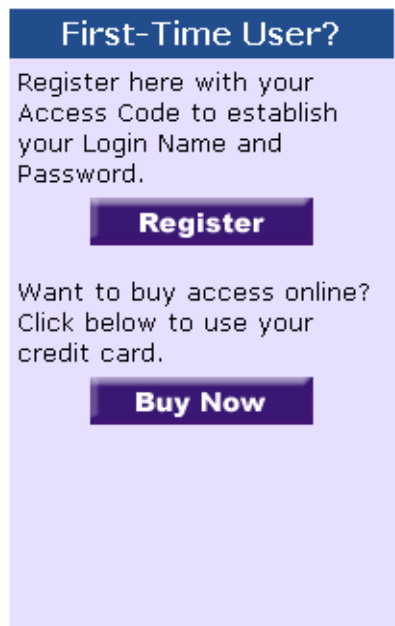

1. Open your web browser and go to your campus WebCT server.
2. From your WebCT Homepage click the course with MySkillsLab in its name or on the course name provided by your instructor.
3. Inside your MySkillsLab Course Homepage you will find a click "[here](#)" link under the header **Register to use MySkillsLab Resources in your WebCT Course** to redeem your access code.

Register to use MySkillsLab 2.0 Resources in your WebCT Course.

Click [here](#) to register online for the MySkillsLab 2.0 resources that are in this WebCT course. You will need the access code that is beneath the pull tab of your access code card that either came with your purchase of a new qualifying textbook or that you purchased separately. (If you do not have an access code you can purchase access online by following the link above and following the on-screen instructions.) **You only have to register once.** Once you have created your own, unique log in name and password, you will use them each time you link to MySkillsLab 2.0 resources from your course.
